

ASTRO

Having the right equipment at work increases productivity by up to 10%! Buronomic offers an extensive portfolio that is functional, ergonomic and aesthetic. It can be upgraded with accessories and be perfectly adapted to your business. Choose amongst the materials and styles available to create the office which will best match your needs

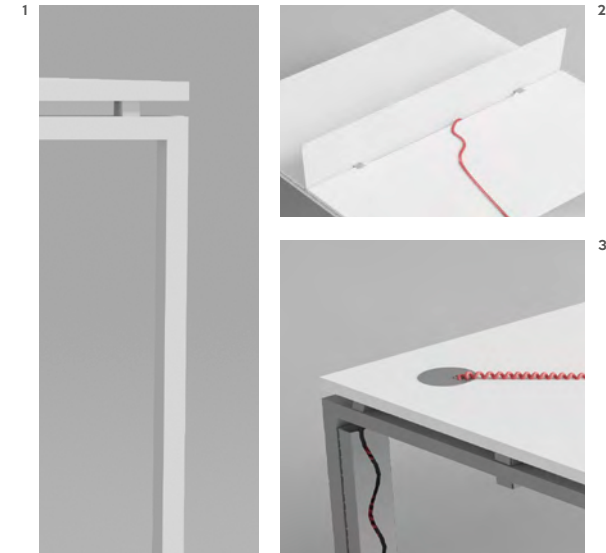

**YOUR EVOLUTIVE
BENCH SOLUTION FOR
OPEN SPACE OFFICES**

ASTRO

SOBRE

With their calm design, Astro desks develop your collaborative spaces without compromising on functionality. Its arch metal structure with floating top design is the ideal choice in open spaces to optimise multiple and practical office layouts. Astro furniture can be upgraded to meet communication requirements, with various privacy, accessory and cable management options to make it even more functional.

Details

- 1.** Modern and minimalist style of the arch metal leg with raised top. **2.** Removable Plexiglas front space divider for a customised work area. **3.** Magnetic cable down-guide designed especially for the leg.

Materials and warranty

Our industrial know-how guarantees the quality and durability of the materials used to make our furniture.

STRUCTUREX® PANELS

Full panels of particles with melamine surfacing. Counter-balanced and treated against reflection. Thickness 16 to 25 mm. Density 680 kg/m³ for the 25 mm panels. Tested as conforming to abrasion and hot & cold water resistance to the XP D60-050 standard.

5 YEAR GUARANTEE

The quality and durability of the materials enable us to guarantee all our ranges for 5 years under normal conditions of use.

NF ENVIRONNEMENT

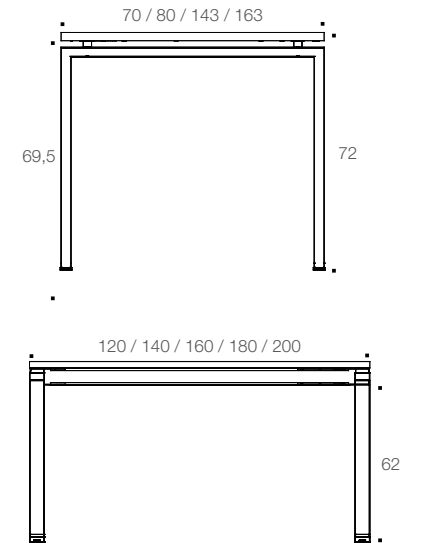

Product life cycle checked over the entire production line, from choice of materials to product end of life for environmentally-friendly products.

NF OFFICE EXCELLENCE CERTIFIÉ

The mark of excellence, guarantee of Buronomic's commitment in a corporate social responsibility approach that focuses on people.

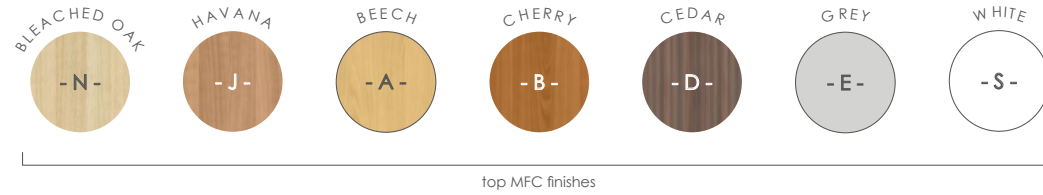

+ More details

Technical description

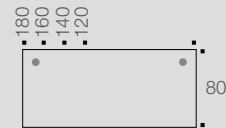

- Structure made of Structurex®, 25 mm thickness.
- 2 mm ABS edging.
- Recessed leg on add-on unit to ease lateral movement from one workstation to another.
- Astro range is based on a self-supporting beam system with raised desk tops, forming a full steel underframe with 2 arch legs and a transverse beam.
- Adjustable screw jacks to compensate for any defects in the floor.
- In back to back configuration, a space divider can be fitted in the 3 cm gap provided between the tops.
- Additional sliding top systems with easy to use operating handle allowing a fast access to connections.
