Margolis
Office Interiors Ltd. Est. 1911

O sistema **OXO** permite agora completar a gama de escritório da LEVIRA com duas novas alternativas **ON+** e **OXO+**. Dois programas de direcção de alto nível com configurações múltiplas, acabamentos de tampo em vidro ou madeira e uma ampla gama de armários para resolver todas as necessidades de guardar, arquivar etc. A sua estrutura em aço inoxidável é um elemento diferenciador e parte importante do sistema **OXO** resultando numa montagem rápida e flexível.

OXO system allows now completing LEVIRA office furniture offer with two new alternatives **ON+** and **OXO+**. Two high level executive solutions with variable configurations, veneer or glass tops together with a range of storage units to solve any needs of storage, filing, etc. Its stainless steel structure is a differentiating element and an important part of **OXO** system resulting on a fast and easy assembling.

El sistema **OXO** permite ahora completar la gama de oficina de LEVIRA con dos alternativas nuevas **ON+** **OXO+**. Dos programas direccionales de gran nivel con múltiples configuraciones y acabados con sobres de cristal o madera y una amplia gama de contenedores para resolver todas las necesidades de guardar, archivar etc. Su estructura en acero inoxidable es un elemento diferenciador y parte importante del sistema **OXO** resolviendo un montaje rápido y flexible.

Le système **OXO** vient compléter la gamme de mobilier de bureau LEVIRA et offre deux alternatives supplémentaires **ON+** et **OXO+**. Ces deux programmes de direction de haut niveau permettent la réalisation de configurations multiples. Il offre également un vaste choix d'armoires afin de répondre aux besoins incessants de classement et d'archivage. La finition du plateau est en verre ou bien en ébénisterie. La structure est constituée en acier inoxydable, élément différent et important du système **OXO** aboutissant sur un montage rapide et flexible.

OXO+

Oxo+ dispõe de tampos em vidro ou madeira de ébano, é também possível combinar ambos os acabamentos para dessa forma personalizar ainda mais cada gabinete

Oxo+ is available with glass or ebony veneer tops but it is also possible combine both finishes in order to achieve a more customized office.

Oxo+ dispone de sobres en cristal o madera de ébano pero también es posible combinar ambos acabados para personalizar aun más cada despacho

La gamme **Oxo+** dispose de plateaux en verre ou bois d'ébène . Il est possible d'associer ces deux finitions afin de personnaliser davantage chaque bureau
